## CONTEMPORARY ART

### SPRING EXHIBIT

### ElectriCAL Colors

A renaissance of colors within an explosion of a vibrant summer energy. We at AC Gallery take pride on being from California and feel the necessity to push the positivity of the COLOR component to each and every art enthusiast. Curated selection of National and International Contemporary Artists. Expect a chic evening with collectors, artists, and art critics while enjoying hosted Hors d'oeuvres, cocktails by Buzzbox, live installations and music performance.
